**Berth**

On Sales Premises

**Year**

2010

---

Beautifully maintained Concordia 85OC with mirror door, bow + stern thruster, inverter, water heater, Wallas stove + heater, among other things

## Concordia 85 OC

This Concordia was professionally painted in the winter of 2022 and is truly to pass through a ring! The lines are modern, yet timeless, and ease of use was paramount in the construction of this vessel. Through a generously sized swim platform and the beautiful transom door you step into a spacious cockpit. Through the cockpit there is easy access to the wide gangways that are surrounded by a high railing and roof rails that are made of stainless steel, as well as the bollards, the storage timber, the swimming platform and a highly polished pole anchor. The French doors give the already large salon an even more spacious feel and offer wonderful comfort even when cruising in the spring and fall. With a bow and stern thruster, including remote control, 1600 watt inverter, ceramic Wallas diesel cooktop and a flat-screen TV with surround set & sound bar, the equipment is particularly complete. In the test of water sports magazine 'Motorboot' this timeless looking boat is praised and as far as we are concerned can certainly be called a space wonder as well

# Basic Information

General	
Boat Name	Eau de vie
Designer	Han van Vossen
Where	Visscher Yachting BV
Year	2010
Hull Colour	Beige
Hull Construction	Steel
Hull Number	VI-CO-085-044
