Material

steel

Motor

2 x Hanomag D162H, 2019 installed, 700 to 750 hours.

Berth

Year

1979

This particularly solidly built Zeelandkruiser is beautifully lined and very well maintained.

Super Zeelandkruiser 13.70 AK

From every angle this Super Zeelandkruiser is a beautiful appearance, the classic lines will never get boring. Besides a timeless appearance, the construction and technology leave nothing to be desired, because that this ship is built without making concessions is noticeable in everything, real 'old-fashioned solidity'. The ship was professionally painted in 2021 with a 2 component paint system and the spray hood and bimini are in excellent condition. The interior is also in excellent condition and feels light and warm. The combination of high-gloss varnished mahogany, light upholstery and an HPL floor is classic and practical. The saloon can be reached both from the aft deck and through the two side doors, ideal when docking and mooring and also on hot days this provides the necessary cooling. The technical equipment is complete: An electric toilet, bow thruster, 2500W inverter, 5KW generator, boiler, deck wash pump a 350 liter holding tank a Eberspächer central heating system. The reconditioned 90 hp Hanomag diesel engines were installed in 2019 and are estimated to have run ± 750 hours, a very nice basis for years of carefree boating fun!

Basic Information

General	
Boat Name	Carpe Diem
Last Serviced	2025
Where	Watergeus Dordrecht
