Silver 64

499.000 VAT included

Motor Yacht

Price

€ 499.000 (VAT included)

Dimensions

19.44 m x 4.34 m x 1.65 m

Material

Wood

Motor

2 x Volvo Penta D7A-A TA diesel

Berth**Year**

1956

Silverling" was designed by John Bain and completely renovated in 2007/2008 for 1.2 million. One of a kind!

Silver 64

This classic motor yacht "Silverling", built in 1956 at the Silver shipyard in Rosneath was completely renovated in 2008 for over 1.2 million euros. She is a stunning classic motor yacht and a definite head turner. Who will not give her a second look to observe her special character and elegant lines. The complete overhaul was done by the finest craftsmen with an extraordinary eye for detail. They have preserved her original character in both interior and exterior, but it is equipped with the best and most modern technology available. All technology, wiring and piping on board was newly installed in 2008: Engines+drive train, generator, inverter, hydraulic system etc... Many systems are double equipped and can function independently of each other, the extremely extensive navigation system offers unprecedented possibilities and has a separate battery pack. All this modern technology combined with a high volume water maker and satellite communication gives you the opportunity to explore the world alone or with your guests in luxury and style.

Basic Information

General	
Boat Name	"Silverling"
Last Serviced	2008
Designer	John Bain
Where	Silver Yard
Year	1956
Hull Colour	White
