Steel

Motor

Volvo Penta D2, 75 hp, 1100 hours

Berth

On Sales Premises

Year

2011

A very neat vessel from the first owner.

Abim Classic 108

New in, a beautiful Abim Classic 108 from the first owner! Pictures say more than a thousand words, so we invite you to quietly look at the pictures of this beautiful boat. This Abim has received all the love and attention from the day she came off the yard and it shows. The spray hood and bimini were renewed in 2023 and can close off the entire aft deck. The outside cushions were renewed in 2020 and under the seat cushions you will find a very generous and deep bakskist where folding bikes can be stored with ease. In 2018 the entire ship was professionally painted and in 2021 the antifouling was renewed again. Also in terms of equipment this ship leaves nothing to be desired so you can enjoy carefree with all modern conveniences! The presence of a bow + stern thruster makes maneuvering this ship child's play, the view from the steering position is excellent and walking through the gangways feels safe because they are spacious. Inside you will find a light-flooded interior that is very well ventilated by the large sliding windows on both sides and the swing window. The sliding windows and portholes are all equipped with mosquito nets and partly with rain covers. Both inside and outside on the swimming platform you will find a shower with thermostatic tap fed by a large boiler on 220V + engine heat. The 3000W Victron inverter provides, even when not on shore power, your energy needs, even for your larger equipment. The owners themselves still enjoy their boat, so we are happy to schedule an appointment for a viewing at a time that suits everyone, maybe see you soon!

Basic Information

General
