Nice Doerak, with recently replaced engine and sprayhood.

### Doerak 780 AK

Nice Doerak with dinghy. Engine and sprayhood are renewed (resp. 2013 and 2015). Spacious open cockpit and aft cabin. With this ship you can go almost anywhere because of the low headroom. Furthermore, a spacious saloon with good headroom, in short, a very practical ship! A very popular brand with a loyal fan club where you can still have a lot of fun for both the novice and experienced water sportsman.
