Year

2016

Ship in absolute new condition. Packed with options and ready to board.

Monterey 278 SSC

A jam-packed and almost new ship in one of the most sought-after colour combinations. The 300 hp Mercruiser V8 is coupled to a Bravo III sterndrive with Duoprop and has only 109 hours on the clock. Torque and traction are characteristic for this combination of Mercruiser, together with the very solid construction and the patented underwater hull of Monterey this guarantees unequalled performance. Options such as: Stainless steel fridge, outdoor shower, Sea Deck, electric folding bracket, electric anchor winch, second battery + double battery charger, Fusion stereo with speaker upgrade, stainless pop-up cleats and docking light are all available. Harbour sail and fully lockable convertible top are also included. Suitable and approved tandem-axle trailer available at extra cost.
