89.500 VAT included

Speedboat and sport cruiser

Price

€ 89.500 (VAT included)

Dimensions

11 m x 3.5 m x 0.9 m

Material

Grp (polyester)

Motor

2x Mercedes 272 hp diesel

Berth

On Sales Premises

Year

1997

Neat weekend cruiser which is both technically and optically well maintained

Searay 330 Sundancer

New inside, this very neat SeaRay 330. Equipped with fixed propeller shafts and two recently placed and fully overhauled Mercedes 6 cylinder diesels. No cost or effort has been spared to get and keep this ship in this condition. The swimming platform equipped with flexiteak and the cockpit with teak-look floor covering, but also in 2020 all batteries have been replaced and the underwater hull has been put in the antifoulng again. Available options include: an electric anchor winch, bow + stern thruster with remote control, inside + outside shower, Victron inverter and a central vacuum system. For the colder days the ship has a Webasto hot air heater and for the ever warmer summers a Cruisair air conditioning.

Basic Information
