9.6 m x 3.2 m x 0.8 m

Material

Steel

Motor

Mercedes 5 cylinder OM 617 80 HP (2001)

Berth

On Sales Premises

Year

1980

Again professionally timbered and also equipped with a Webasto hot air heating and a Mercedes 5 cylinder 80 HP from 2001

Heyblom Kruiser 9.60 OK

This beautiful Heyblom cruiser has been refitted by a professional ship's carpenter who has love for his craft. The electrics were also completely renewed in 2001. In terms of equipment, there is probably little to wish for, as this boat is equipped with Webasto heating, electric deck wash pump, solar panel, hydraulic steering and bow thruster. This spring, a high-quality spray hood was installed, antifouling was applied and a full-size energy-efficient refrigerator was installed. In the forepeak is a spacious v-shaped bed and also the dinette can be converted to sleeping accommodation, there is also the possibility of adapting the settee in the open cockpit to make a particularly large 2-person bed. The spray hood is already equipped with blackout, a future new owner only needs to make this relatively small adjustment himself.

Basic Information

General	
Boat Name	IJsvogel
Where	Jachtwerf Heyblom, Gilze-Ryen
Year	1980
