Year

1955

A great maintained vlet with lots of upgrades and renewals

'Rondspant Vlet 1220 OK

This solid round bilge will surprise you with its equipment, space and state of repair. As soon as you step aboard, you will feel that this is a serious ship that, thanks to the many recent upgrades, fully complies with today's standards. Central heating, more than 6000 watts of inverters, electric cooking, a control system that you will only find in inland shipping and a 219 hp Perkins from 2009 with 2900 hours are just some of the things that make this vlet special. The bronze window frames and authentic details give this ship its unique character and will make many heads turn, let yourself be surprised and feel free to contact us for a viewing.
