Neat Valkkruiser, April 2020 professionally painted

Valkkruiser 13.00 AK

This Falcon cruiser will amaze you in terms of space and finish. In 2021 the saloon and kitchen/dinette were professionally re-roofed and the teak on the aft deck was renovated, in 2018 a new engine was installed. Also, among other things, the bathroom and toilet are renewed and the ship is fully professionally painted with a 2-component varnish. In short, a ship that both optically and technically has undergone many renovations and is ready for many years of sailing pleasure.
