Year

1976

A neat Grand Banks equipped with double glazing, hot air heating and a 2000w inverter, among other things.

Grand Banks 32

This sturdy original Grand Banks 32 with construction number 568 can rightly be called special! Only 6 of the more than 600 Grand Banks 32 are equipped with 2 engines and only a few, like this one, are made of polyester instead of wood. The current owners have enjoyed her for many years and have faithfully provided for the proper maintenance. A ship that is ready to sail and is equipped with a boiler, heating, double glazing, 2000 watt inverter, solar panels, indoor + outdoor shower and 2 economical Perkins engines of the last delivered and also most wanted type.
