Valk Continental 1700 Wheelhouse

Generously equipped, luxuriously finished and very well maintained. Suitable for longer stays or living on board. A very spacious and bright lounge with a second seating area located next to the kitchen with dishwasher and electric cooker. Both the saloon and the bedrooms are equipped with separately switchable air conditioning. In 2016 the wheelhouse is equipped with both an extra refrigerator and freezer. This year the antifouling was applied and a measurement and an inspection report was made. Many upgrades and preventive maintenance has been carried out very meticulously.
