Year

1979

A true "Dutch Classic", but one that has been maintained to perfection!

Palma 40 GS/AK

This Palma cruiser can rightfully be called a true "Dutch Classic". Classic lines and a solid construction, but over the years equipped with many extras that also make a longer stay on board very comfortable. The list of recent renewals is long and comprehensive, but some highlights include blasting the hull in 2016, fully professionally painted in 2019, a new spray hood and screens for the windows in 2021 and a cork/composite MarineDeck 2000 in 2019. Of course, this boat is equipped with a Webasto hot air heater, 3000W Victron inverter, water heater, electric toilet and even a full winter tent is present. The owners have put a lot of love, time and energy into this boat, but for them it is time for the next step. From today she is at our sales dock, we would like to make an appointment for a viewing.
