Ultramar 700 Weekend

This Ultramar 700 weekend is a category 'C' vessel and therefore suitable for coastal waters. The length of 7.3 meters and width of 2.5 meters makes this ship extremely stable and provides a spacious cockpit with plenty of storage space. The spacious interior is flooded with light and has a sliding window to both port and starboard. Ideal for (sea) fishing and/or a weekend away. The economical but fast Honda 175 hp Four Stroke was newly installed in 2006 and has only run 400 hours. One hood of the engine could use a lick of paint.
