Vetus Deutz DT64, 159HP

Berth

Year

2002

Very spacious and generously equipped ship excellent for permanent residence

Renal 45

This Renal 45 is extremely practical and has an interior space comparable to a 15-meter ship. The ship is characterized by a large aft deck, excellent headroom, many berths and generous equipment. Because she is equipped with central heating, double shower + toilets, washing machine, dryer, dishwasher, new solar panels, inverter and no less than 2 hot water boilers, she can be used perfectly for (semi) permanent living or distant travels with a large party. The very solid Vetus Deutz combined with a powerful 24-volt bow + stern thruster make sailing this ship comfortable and easy. In 2021 the anodes have been replaced, the antifouling has been reapplied, several batteries have been replaced, a pvc floor has been laid and the curtains have been renewed. Currently the owners live on this ship, taking over the furniture is possible. Soon you can expect more pictures of this ship, so keep following our website.
