Great maintained ship from first owner

## Valkkruiser 1400 VS

This neatly maintained and beautifully lined ship has been in the possession of the first and only owner since 1994. Since new construction, many upgrades have been carried out over the years and the ship can now rightly be called a very complete ship. Partly because of the fixed wheelhouse she can be used all year round and things like a generator, heavy inverter, washing machine and a Webasto from 2010 certainly contribute to the sailing comfort. In 2015 the entire ship will be professionally painted (2K) and the 'Flexiteak' will be placed on the gangways. This ship can be visited by appointment if desired.
