Pikmeer 950 OK

A feast for the eyes, this beautiful Pikmeer 950 OK! In addition to its great sailing characteristics and a particularly practical layout, this particular vessel is very fully equipped and magnificently maintained. In 2019 a new cockpit tent was installed and in 2020 the ship was completely professionally painted, also the batteries were recently replaced and the electrical system was renewed and expanded. The ship's equipment includes a bow thruster with remote control, an electric anchor winch, a 1600W Victron inverter, an indoor + outdoor shower that is heated by a boiler on 220V + engine heat, an electric toilet and hot air heating. In short, a very complete ship that will trump many similar ships of the same size. We were pleasantly surprised when we were allowed to view this ship, so be surprised and step into this beautiful Pikmeer 950 OK this spring.
