2007

1 cabin with 2 berths

Grand Azur Classic 33

The Grand Azur Classic 33' combines classic-looking and timeless styling with excellent sailing characteristics and equipment that leaves nothing to be desired. The Mediterranean look is characterized by a flat superstructure with a pronounced S-stroke in the seawall and a swimming platform integrated into the transom. The interior consists of a comfortable sofa, a generous double berth and a spacious bathroom with shower.

The ship has undergone an extensive refit in recent years. All technology on board has been replaced or overhauled, the hull and deck have been repainted and a synthetic deck of RoSch has been laid. The condition can be described as good as new, so don't wait too long and make an appointment for a viewing today.

Basic Information
