

Neptunus 168

189.000 VAT included

Motor Yacht

Price

€ 189.000 (VAT included)

Dimensions

18.6 m x 5.1 m x 1.3 m

Material

Grp (polyester)

Motor

2x MAN V12, 760 hp

Berth

Year

1992

6 spacious fixed berths

Neptunus 168

!! Sneak Preview! Hereby we lift a corner of the veil and show the first images of this neat Neptune 168 Flybridge, more pictures will follow soon. Besides a very thorough refit that has given the ship an optical rejuvenation, there is also a technical aspect. The 2 beautiful MAN V12 engines have been treated with love and attention and have recently undergone extensive preventive maintenance. Also the underwater hull has not been left out and has been completely sanded and rebuilt. The presence of two engines, a bow + stern thruster and a remote control of Hydronautica makes sailing this ship child's play and if desired, even sailing alone is perfectly possible. If you do not want to wait for the other pictures you can always contact us to make an appointment for a viewing.
