Linssen Classic Sturdy 410 Sedan

This Linssen Classic Sturdy 410 Sedan is a joy to behold. Greatly maintained and superbly equipped with bow and stern thrusters, autopilot, electric toilet, 2200 watt inverter, indoor and outdoor shower and electric windlass. In the Linssen Classic Sturdy 410 Sedan, the available space has been utilized in a particularly favorable way, providing not only a very generous open cockpit but also a large saloon flooded with light. The ability to create a spacious shower room and two fully-fledged sleeping cabins on a boat of over 13 metres is a feat of craftsmanship that Linssen has mastered for many years.
