1983

4 fixed berths and 2 additional berths to be created.

Super Waddenkruiser 12.80 GSAK

Under offer! This very solid Super Waddenkruiser of almost 13 meters is generously equipped and offers a lot of space and sleeping facilities. Equipped with aluminum window profiles, lots of stainless steel, a Webasto CV, generator, inverter and a bow thruster this is a very popular ship that is now offered for a very interesting price. The painting needs to be done soon and the spray hood has had its best time, but for those who are willing to take on this challenge, this rough diamond will shine again.
