Valk Voyager 45

Now available for viewing at our sales dock! This Valk Voyager 45 has everything you need for a family vacation at home or a longer stay on board. The distinctive large aft deck has room for all your guests and was fitted with new exterior cushions in 2021 and a new spray hood + bimini a few years earlier. The entire ship is equipped with teak deck that is still in good condition considering her age, the paintwork does need attention. The spacious saloon is accessed by a wide 'lazy' staircase is in 2022 provided with new carpeting. The large windows provide plenty of light in the salon and kitchen and can be slid open on the sides during warm days. The presence of a large battery pack, heavy-duty inverter and a generator allows you to be 'self-supporting' for a longer period of time and cooking can be done on an induction stove. In addition to the owner's cabin with French bed, there is a guest cabin in the stern and a guest cabin in the forepeak. For the winter period there is a complete winter canvas available.
