Material

Steel

Motor

Perkins S570

Berth

Year

1995

Extremely well maintained and very complete Condor 127.

Condor 127

This stunning and over-complete Condor 127 is available for viewing. Only occasionally do we come across a ship like this that has been cared for with so much love. The current owners have enjoyed using this Condor for decades. In terms of luxury on board there is no shortage, this ship has the very solid Perkins 6 cylinder diesel with 135 hp and also a bow and stern thruster. The instrumentation has recently undergone an upgrade and includes a Raymarine Axiom chartplotter. The vessel features an extended swim platform and heavy-duty stainless steel davits. The spray hood is from 2017 and offers plenty of practical space as the entire aft deck can be closed off. Inside you will find a spacious salon, generous headroom throughout and a very high quality finish. The extensive central heating system is equipped with radiators combined with forced hot air with an outlet at the steering position. In the bow you will find a bright kitchen with a spacious dinette, an enclosed sleeping cabin with two beds and a toilet room. The owner's cabin in the stern has a French bed and a separate shower and toilet area. Dinghy and outboard motor can be taken over at additional cost.

Basic Information

General	
Boat Name	Aquila Maris
Where	Condor Yachting
Year	1995
Hull Colour	White
