Indenor DTP 40, 45 hp, 4 cylinder diesel, 1471

hours.

Dimensions Berth

9.1 m x 3.05 m x 0.85 m

Material Year

Steel 1984

This high quality Aquanaut is very fully equipped and recently painted.

Aquanaut 880 OK

!! New in !!! This high quality built Aquanaut 880 is particularly generously equipped and looks excellent. In 2020 the entire ship was painted in which, among other things, the windows were removed so that the vulnerable spots were also provided with a fresh coat of paint. This ship is not only equipped with a bow thruster, even a stern thruster is present! But also a z.g.a. new Webasto heater, boiler on engine heat +220V, geyser, compressor fridge, electric toilet, cockpit shower and two solar panels can be found on board. The cockpit tent and outdoor cushion were renewed 1.5 years ago along with the batteries. In 2022 the antifouling was done and the engine had major maintenance including a.o. valve adjustment and a new impeller. All in all a very interesting ship for those who like convenience and want to make a carefree trip through the Netherlands this fall.
