1997

Exceptionally spacious and richly equipped vessel.

Hemmes Kruiser 14.75 AK

A particularly well-built Hemmes Kruiser (21 tons) with numerous options that make a longer stay or living on board comfortable. This ship is characterized by the robust and spacious construction in which headroom and interior space were highly valued. In 2020, in addition to the already present Websato hot air heater and reversible air conditioning also a central heating system installed, these are in the spring of 2022 completely serviced. The same goes for the 6 cylinder Ford Mermaid and the Solé generator. Besides the 9 Kw generator and 1500W Mastervolt inverter there are also 2 large solar panels on board. **Price does not include brokerage.**
