A jam-packed and nearly new boat in one of the most sought-after color combos. The 300 hp Volvo Penta V8 is mated to a Duoprop sterndr

Monterey 275 SCR

A packed and nearly new vessel in one of the most sought after color combos. The 300-hp Volvo Penta V8 is mated to a Duoprop sterndrive and has only 243 hours on the clock. Torque and traction are hallmarks of this combination, along with the exceptionally solid construction and patented Monterey underwater hull guarantees unparalleled performance. Options such as: refrigerator, outdoor shower, heater, water heater, Sea Deck on swim platform, bow thruster, electric windlass with stainless steel high gloss polished plow anchor, trim tabs, second battery + dual battery charger, Fusion stereo with speaker upgrade + 3 remote controls, stainless pop-up cleats and a sun cushion for the foredeck are all present. Harbour sail and fully lockable convertible top are also included. This boat is in winter storage each fall, but at our request she is still on our sales dock for a while. If you would still like to view her in the water, we would be happy to make an appointment for a viewing soon.
