Exceptionally spacious vessel. Suitable for longer stay on board or temporary occupancy.

### Flamvlet 12.60 AK

This very spacious and light-flooded Flamvlet 12.60 AK is perfectly suited for a family vacation in the Netherlands, but also a trip through the French canals is certainly a possibility due to the low clearance and the presence of a bun-cooler. This boat is equipped with a separate shower and toilet, a solar panel + inverter, a Trumatic hot-air heating system including boiler, and an electric windlass and bow thruster.
