An exceptionally well maintained Doerak, professionally painted in 2022 and 1995 fitted with a new engine.

Doerak 950 GS/OK

Now available for viewing at our sales dock. This Doerak 950 GS/OK was painted in the summer of this year (2022) and is to pass through a ring! The owner has renewed many things in recent years including a new Webasto hot air heater, new spray hood and batteries. The engine was renewed in 1995 and runs like a charm. All in all a very interesting Doerak with lots of space and technically and optically in good condition.
