.A true Dutch Classic!

Boarncruiser 9.60 OK AK

Immediately after boarding you will understand why this Boarncruiser 9.60 can rightly be called a Dutch Classic! The paneling is warm, solid and nostalgic and together with the classic graceful lines of hull and superstructure will capture the imagination of many. The paintwork of the underwater ship, hull and superstructure were applied in 2020 and together with the stainless steel railing, handles and bollards gives a fresh and contemporary look. The spray hood was installed 3 years ago and the interior lining and mattresses were recently renewed.
