Roskam 10.50 AK

74.500 VAT included

Motor Yacht

Price

€ 74.500 (VAT included)

Dimensions

10.5 m x 3.35 m x 1 m

Material

Steel

Motor

Perkins M65, 4 cylinder diesel, 65 hp

Berth**Year**

1980

Only rarely do we come across such a complete and well-maintained ship. In terms of comfort, little is left to be desired.

Roskam 10.50 AK

! Sneak Preview ! This very special Roskam 10.50 AK has so much more to offer than we initially suspected. Already on arrival we notice the fresh and shiny paintwork that was applied in 2022, but once inside the big surprise awaits. The entire interior has been professionally refurbished, not forgetting the windows and the technology. The engine has been replaced by a new Perkins M65, there is a Mastervolt Whisper generator of 6000 Watts in combination with a Mastervolt inverter of 1200W, 2 solar panels and a Victron smart charger that can be connected to your smartphone via Bluetooth. As icing on the cake, this boat has a bow + stern thruster and a Simrad GO7 XSE autopilot/mapplotter including AIS receiver. Of course a large 60ltr. stainless steel boiler on 220V and Engine Heat is not missing, as well as an outdoor shower, deck wash pump and a plastic holding tank with 3-way valve and maceration pump. Are you as enthusiastic as we are, then we would like to make an appointment for a viewing. Currently the ship is located a heated shed.

Basic Information

General
