This spacious and generously equipped Waldorf needs cosmetic attention.

Vrijbuitter 15.00 AK

A very spacious boat, excellent for habitation. This Vrijbuitter is very accessible, thanks in part to the extremely wide gunwales (45cm), a safe stainless steel railing and an easy step up to the aft deck. A fully covered aft deck increases living space in all seasons. Very large tanks, a 6kva generator and a 2500W inverter make you self-sufficient for long periods of time. This boat features a large owner's cabin, spacious shower and separate toilet. Cosmetically this boat needs attention, the paintwork is in moderate condition.
