1x double bed 1x additional berths dinette

Boarncruiser 1000 S

The Boarncruiser is an elegant steel yacht with a length of 10.60 meters. It is a timeless model built in 2001, with a sophisticated appearance and a striking white color that gives the boat a fresh and luxurious look.

This well-maintained Boarncruiser is powered by a reliable Yanmar 4-cylinder diesel engine, delivering an impressive 100 HP/74 kW of power, allowing you to navigate smoothly and efficiently through the water. The boat is equipped with a bow and stern thruster.

The interior of the boat is designed with comfort and functionality in mind, as well as an excellent sound system. Up front you will find a cozy round seat. There are two permanent berths on board, and the dinette converts to two additional berths.
