Duinkerker Kotter 11.20 AK

64.500 VAT included

Motor Yacht

Price

€ 64.500 (VAT included)

Dimensions

11.2 m x 3.85 m x 1.1 m

Material

Steel

Motor

DAF 474

Berth

On Sales Premises

Year

1990

Very nice maintained Kotter in good condition , with bow thruster, recently renewed batteries and refrigerator

Duinkerker Kotter 11.20 AK

This very solidly built Dunkirk cutter has beautiful lines and an equally beautiful interior. The former owners have taken excellent care of her and it shows. In early 2023, the entire underwater ship was professionally tackled with all layers of paint removed and rebuilt with contemporary paint systems. The woodwork all around was sanded completely bare this summer and given 7 coats of clear coat. Inside you will find a very nice and solid timbered interior and a well thought out layout, the saloon is spacious and bright and both the bow and stern have sleeping accommodation. This Dunkirk cutter is equipped with a particularly well maintained DAF 475 in a spotless engine room. A bow thruster, marine radio and hot air stove are also not lacking, even the authentic gas oil stove is still present and can be made working again. The sellers are currently still waiting for the new ramp carpets + a new cover for the steering position, but unfortunately have to sell their ship due to health reasons. The paintwork on the outside needs some attention locally, but that should have no name.
