Year

2005

An excellently maintained ship!

BACH YACHT 10.50 GS-OK

A picture to behold! Not only the inside and outside are 'to pass through a ring', also the maintenance is done to perfection. The space this ship offers will amaze you, the high hull gives the ship a robust appearance and provides a favorable headroom. The gangways are wide and the presence of a beautiful, high stainless steel railing combined with sufficient handles gives a safe feeling. The door in the transom gives easy access to the open cockpit and when you open the folding doors you connect the open cockpit with the salon. The almost new-looking cockpit tent has a zippered mosquito net and for the winter period the former cockpit tent is still available. The boat is generously equipped with, among other things, a bow + stern thruster with wireless remote control, boiler on engine heat + 220V, a hot air heater, electric toilet, marine radio, inverter and 2 large sliding windows + a folding window in the salon. The engine room is very well insulated and engine noise is kept to a minimum. The shower room is spacious but not used by the current owners. Shower mixer and hose are present but not fitted. A viewing is definitely worthwhile and will not disappoint

Basic Information

General	
Boat Name	Chopin
Passenger Capacity	8
Where	Jachtwerf van Vliet Vinkeveen b.v.
Year	2005
Hull Colour	Blue
Hull Construction	Steel
Hull Number	B10509
