Steel

Motor

Vetus Deutz, 6 cylinder, 159 hp

Berth

Year

1999

This Linden cutter was fitted with a new spray hood in 2023 and received new Raymarine equipment in 2022.

Linden Kotter 13.70 AK

We would like to show you this 'Sneak Preview' of the Linden cutter that has just been added to our sales portfolio. Just like every year this beautiful boat is dry and warm in winter storage, so we will have to be patient for some more pictures. This 1999 Lindenkotter 13.70 AK has a particularly comprehensive option list and has been excellently maintained. For example, the hull was painted in 2022 and a new spray hood was installed in 2023 with also a cover for the aft deck. A longer stay on board and a long trip are perfectly possible due to the presence of, among other things, double glazing, a 2000W inverter, 8 kWh generator, 5kW Webasto hot air heating, a central vacuum system and electric stove. In addition, this cutter is equipped with a hydraulic bow + stern thruster and in 2022 she will be equipped with new Raymarine equipment such as an autopilot, chartplotter and AIS. If you are curious, we will be happy to make an appointment with you for a viewing.

Basic Information

General	
Boat Name	Chateau
Last Serviced	2023
Designer	Gillissen
Where	Linden Jachtbouw BV
Year	1999
