Year

2001

Well maintained and documented Babro cruiser from second owner.

Babro 11.20 AK

!! Under offer!! This Babro 11.20 AK in possession of the second owner is neatly maintained and well equipped. This ship is naturally easy to maneuver and the presence of a bow thruster makes mooring child's play. The new spray hood was installed in 2020 and equipped with a bimini over the aft deck, in winter these are warm and dry inside and a winter cover goes over the steering position. Sailing is also a pleasure on the colder days, because this Babro is not only equipped with a hot air heater for the interior spaces, the steering position also has a separate heater that is supplied with warm air by engine heat. Of course, a recently installed inverter, boiler and solar panels are not missing on this ship, so if you are looking for a ship that is complete and ready to board, we will be happy to make an appointment for a viewing.
