## **Bavaria 27 Sport**

What a gem this Bavaria 27 Sport is! With much love and attention this ship has been cared for for years and that is visible, because both technically and optically this sporty weekend cruiser leaves little to be desired. The same applies to the very generous equipment that we rarely encounter, certainly on a ship of this size. For example, this ship has a bow thruster, electric anchor winch, 2 compressor refrigerators, deck wash pump, Garmin GPS chart plotter, marine radio, inverter, indoor + outdoor shower, 2 custom-made 'Neptune' mattresses and an originally supplied air conditioning that can also heat. Every winter this ship is in a heated winter storage where she gets new antifouling annually, all in all a very complete and excellently maintained ship. From now on can be viewed at our sales jetty in Kerkdriel.
