Material

grp (polyester)

Motor

2x Mercruiser D4.2L 220, 220 pk

Berth

On Sales Premises

Year

1999

A very wide and spacious weekend cruiser, generously equipped with air conditioning, hot air heating, 2 refrigerators, bow thruster, etc.

Doral 300SE

We already knew that the Canadian brand Doral built particularly high-quality and practical ships. However, this ship surprises with its finish, stability and the enormous space it offers. Only a few other brands have a similar width and standing height at a length of over 9 meters. This ship is equipped with 2x Mercruiser D4.2L (Cummins) 220 hp diesel engines, a bow thruster, Eberspächer heating, air conditioning, an almost new boiler, 2 built-in refrigerators, an indoor and outdoor shower, electric anchor winch, marine radio and an almost new induction hob. This ship is in a heated winter storage every winter!

Basic Information
