Berth

On Sales Premises

Year

2003

Excellently maintained ship, equipped with hydraulic bow and stern thruster.

Van Der Valk Continental 15.50 Cabrio

This Wim van der Valk Continental Cabrio in excellent condition has a beautiful interior and very nice layout. The timeless appearance makes the 'Continental series' a popular ship that continues to appeal to many. Thermopane glass, Kabola heating, hydraulic bow + stern thruster, generator and inverter are just a small selection from the long list of options that this ship has. In 2018, the entire ship was sprayed and in April 2023 the antifouling was renewed, in the meantime many innovations have been made such as: a new 6 Kwh Whisper Power generator + 8000W Victron inverter (both installed in 2020), new batteries, a new combi oven, new hydrophore group and the outdoor cushions have also been renewed.
