Formula 260ss

39.500 VAT included

Speedboat and sport cruiser

Price

€ 39.500 (VAT included)

Dimensions

7.9 m x 2.6 m x 0.8 m

Material

steel

Motor

Mercruiser 6.2 MPI, Bravo III

Berth

On Sales Premises

Year

2002

Neatly maintained, both optically and technically

Formula 260ss

A beautiful example of craftsmanship! For decades, Formula has stood for elegance, quality and speed and with every model that comes out of the factory, they seem to succeed again. With an origin in racing, they have laid the foundation for speed, but over the years this has become interwoven with comfort and refinement. This 260 SunSport is an excellent example of this, because the elegant and fast lines on the outside go hand in hand with a high-quality and balanced interior. The Mercruiser 6.2 MPI V8 is coupled to a Bravo III sterndrive and is an ideal combination in our opinion! The large swimming platform is equipped with Seadeck and in the cockpit you will find soft carpeting. Your guests sit in a spacious round seat, which can be converted into one large sun bed or in the front directly next to the driver or on the sun bed. The cabin can be used as a sleeping area or as a seat and also has a fixed toilet. On board you will find running water for the sink and the outdoor shower on the swimming platform. The dashboard is equipped with new digital clocks and a Rockford Fosgate radio. Don't feel like listening to the radio, but enjoy the sound of the V8? Then you can indulge yourself with the recently installed 'Captains Call' switchable exhaust system. Does your heart beat faster and are you curious about this excellently maintained 260SS, then make an appointment for a viewing now!
