Valk Royal 45

This beautiful Valk Royal 45 from 1995 is very well maintained and is in a closed hangar. In 2022/2023 the entire hull was blasted and painted. The previous owner has done a lot of renovations in the past three years. The boat is very fully equipped with, among other things, two bow thrusters, a generator, air conditioning, three refrigerators and AIS. The owner's cabin has a large bathroom with double access (to the hallway and to the cabin) and the forward cabin is also equipped with a very large, complete bathroom. A third cabin has two bunk beds. The two 50 hp Volvo Penta engines enable both economical sailing on inland waters and cruising along the coast.

A quality product that you must see!
