## Waterspoor 777 Aviator

Perfectly equipped, in great condition and in a magnificent color scheme. This Waterspoor 777 Aviator gives you wings! The classic lines, modern technology and beautiful details are characteristic of the tenders of Waterspoor and this very generously equipped 777 Aviator is an example of that. This ship is in a heated winter storage in the winter and in a floating boathouse in the summer, so both the exterior and interior are in new condition. This version equipped with an 80 hp Yanmar & sports exhausts reaches a maximum speed just above 20 km / h and is also whisper-quiet when you want to cruise quietly. In terms of options & extras, this Waterspoor leaves little to be desired, this Aviator is equipped with:
