Formula 270 SS

Most likely the most beautiful and best equipped Formula 270SS can currently be found here. The owner has spared no expense or effort to keep this boat in top condition and to provide it with beautiful upgrades. The powerful 8.2 ltr V8 is known for its reliability and is equipped with a Whipple Stage 2 performance upgrade in this powerboat. Coupled with a Bravo III High Performance X-drive and in combination with a Mayfair hydraulic external steering cylinder, this ensures unparalleled and string-tight sailing characteristics, even at very high speed! This Formula was only launched for the first time in 2019 and since then numerous things have been renewed and added, for example, the bimini and the cover were renewed in 2023 and the hydraulic steering cylinder was installed and a Marine Deck floor was laid on the swimming platform and throughout the boat in 2024. A selection of the available options/upgrades can be found below:

Switchable exhaust system
Outdoor shower on swimming platform
LED Bow docking lights
Dometic compressor refrigerator drawer
Clarion HiFi system with 2x remote control
Sun cushion on the bow
Filling cushion in the cabin
Hinged bench/sun deck on aft ship
2x swimming ladder, front + back
Pull-up cleats
Isotta steering wheel

This set is completed with a Techau 2-axle aluminium trailer from 2010, which is equipped with waterproof LED lighting that does not need to be removed when launching, an axle flushing system and two spare wheels.

Are you looking for an excellently maintained ship that you can connect to immediately? We would be happy to schedule an appointment for a viewing!
