grp (polyester)

**Motor**

2x Mercruiser 496 HO Raylar Racing, total 1050 hp!

**Berth**

On Sales Premises

**Year**

2010

---

1 cabin with 3 sleeping places

## Arctic Blue 37 Cabin

**!! Coming Soon !!** Especially for those who know the difference between a good RIB and an excellent sports RIB, and for those who value dynamic sailing characteristics above mere luxury, only a handful of brands are interesting, Arctic Blue is one of them and belongs to the absolute top. The company philosophy: producing top quality vessels that perform magnificently, without any compromise. This specific Arctic Blue is equipped with 2 Mercruiser 496 Big Block V8s, which are also equipped with Raylar Racing performance packages with a total power of 1050 hp and ensure breathtaking speed. The superior 'stepped-V' hull shape and extremely rigid construction ensure unsurpassed handling, even in the most demanding situations. But in addition to exceptional performance, this ship also has a bow thruster, stern thruster, inverter, boiler, heating and an electric toilet. In 2024 this ship has undergone a very extensive refit in which, among other things, the tubes have been renewed, the entire ship has been sprayed, the complete interior upholstery has been renewed and the entire ship has also been fitted with a new teak deck. An exceptional boat for an exceptional owner.

# Basic Information
