Motor Yacht

Price

€ 74.500 (VAT included)

Dimensions

14 m x 4 m x 1.1 m

Material

steel

Motor

2x Ford Lehman, 120 pk, 6 cylinder diesel

Berth

On Sales Premises

Year

1978

Very high quality built ship from the Holterman shipyard.

Blauwe Hand Kruiser 14.00 AK

This Blue Hand Cruiser built by Holterman & De Vries exudes luxury and solidity as soon as you step on board. The ship is heavy and exceptionally solidly built and has an interior that stands out above many of its peers. Numerous drawers and cupboards, many round shapes and the right proportions characterize the construction by an excellent shipyard and that is exactly what you will find in this ship. These features form a good basis for long-term or permanent residence. Many renovations have been made in the last 2 years, such as the installation of a Kabola 400 HR combi, a 3500 kWh roof air conditioning, new mattresses. The gas installation has been removed and replaced by a 1-phase Siemens electric hob. An inverter, a generator and a large battery pack are of course also included. In 2021, the antifouling and anodes were replaced and at the same time the grease ropes were renewed and all standpipes replaced by skin penetrations with ball valves. In the bilge you will find two electric bilge pumps and both in the bow and the stern high water alarms are installed. In the orderly engine room you will find two excellently maintained Ford Lehman engines of 120 hp each, equipped with bun cooling. The exhausts have been renewed and made water-cooled. This ship is ready to board and offers you a lot of comfort during long journeys or habitation.

Basic Information

General	
Boat Name	Pescori
Where	J. Holterman & De Vries, Meppel
Year	1978
