A beautiful and meticulously maintained yacht.

Linssen Grand Sturdy 380 AC

A beautiful and meticulously maintained yacht – this Linssen Grand Sturdy 380 AC”

With this ship you choose pure quality, craftsmanship and comfort on the water.

This 380 AC is finished down to the smallest detail and has exceptionally complete equipment for a comfortable stay, at any time and anywhere.

The extensive options list speaks for itself:

? Central heating for optimum comfort, regardless of the season + hot air at the steering position.

? Converter

? 7 kW generator

? Washing machine

? Autopilot for easy maneuvering

? Raymarine chartplotter for extra navigation convenience

? Bow and stern thruster for perfect control

? Electric windlass

? Two electric toilets

? Reliable Vetus Deutz engine with only 1,825 operating hours

Once on board you will experience a sea of space and luxury.

The spacious cockpit tent is as good as new and covers the entire aft deck. The skipper has an excellent view all around from the fixed helmsman's seat and can use the renewed Raymarine navigation equipment. Even on less warm days it is also pleasant to stay on the aft deck due to the extra hot air heating at the driver's.

A large skylight, a hinged window at the front, a sliding window on the port side and portholes (fitted with insect screens) provide a beautiful view, plenty of daylight and the necessary ventilation for a comfortable stay, even when you are on board with several guests.

All cabins are finished and equipped with attention to detail. The guest cabin in the front has two single beds and has its own wet cell with electric toilet. The owner's cabin in the aft ship is spacious, with a freestanding bed and a spacious bathroom with shower cubicle.

During the winter this ship spends its time in heated winter storage, a place for this can be arranged in consultation if booked in advance.

All in all a beautiful, complete yacht for the demanding water sports enthusiast. A viewing is therefore highly recommended to experience the quality and craftsmanship.
