Campi 300

Step aboard houseboat 'Marbella'. This Campi 300 from 2021 is in very neat condition and is suitable for a comfortable stay with 2 to 4 people. During construction, no expense was spared on insulation and central heating was installed, allowing you to enjoy nature and the water in both summer and winter. The living room has a panoramic view and is flooded with light, here you will also find the well-equipped kitchen and a sofa bed that can serve as a double bed. Directly adjacent to the living room is the outdoor terrace on the water with the steering position. In the aft ship you will find a separate bedroom with double bed and also a toilet + shower room. Via the stairs at the rear you enter the roof terrace which is equipped with a lounge set and parasol. There are also 4 solar panels of 250W each installed to keep the batteries charged when you want to leave the harbor to seek peace and quiet. **This houseboat is from the first owner and was purchased for business, so it is offered excluding VAT .**
