## Polaris Beta 7.35 Sport

### **Polaris Beta 7.35 Sport – unprecedentedly complete and perfectly maintained**

Every now and then a ship comes along that makes you stop and stare. The Polaris Beta 7.35 Sport is one such ship. Built in November 1994 and launched in 1995, this jewel has known only two careful owners. Every detail breathes love, attention and craftsmanship – from finishing to maintenance.

The current owner is selling her with a heavy heart, but not without first preparing her down to the last detail for her next proud owner. In the past months she has been professionally polished and waxed, fitted with new antifouling, a new impeller, three new batteries, and the spray hood has been completely tackled (cleaned, impregnated, stitched and fitted with new windows).

What makes this Polaris really special is her equipment. You could almost forget that the ship is only 7.35 meters long – because the equipment exceeds that of many larger yachts:

- Bow and stern thruster with wireless remote control
- Electric windlass with chain counter and wireless control
- Stainless steel swimming platform with folding swimming ladder
- 4 stainless steel fender baskets
- 3 new batteries + Mastervolt battery charger
- Powerful Vetus 62 hp diesel engine (only 314 hours!)
- Boiler on engine heat and 220V
- Webasto hot air heater (recently installed)
- Shipmate marine radio (indoor + outdoor + speaker)
- AdvanSea C.56 chartplotter + depth sounder
- Rudder position indicator, gas detector and waste water tank with pump and deck suction
- Deck wash pump with shower head + garden hose
- Screens and blackout for windows
- 3 zip-in fly screens
- Professionally painted (2-component) + new antifouling (June 2025)

In short: an exceptionally well-equipped and perfectly maintained Polaris Beta 7.35 Sport, ready for many carefree sailing seasons.
