1980

Tjeukemeer 11.00 AK

This Tjeukemeerkruiser 11.00 AK has recently been extensively modernized and is in excellent technical condition. The hull, superstructure, and installations have been thoroughly renovated in recent years with high-quality materials and components. The exterior is in excellent condition, and the drivetrain and technical systems have also been almost completely renewed.

The interior finishing has not yet been completed, giving the new owner the opportunity to furnish and finish it to his own taste.

Recent work:

- Hull and decks painted (2-component paint) – 2024
- Black powder-coated windshield with tinted glass installed – 2024
- Superstructure painted (2-component paint), with windows and deck fittings removed – 2023
- Black powder-coated davits with stainless steel winches installed – 2023
- Hydraulic steering pump and steering cylinder (Vetus) installed – 2023
- Craftsman 42 hp diesel engine installed (approx. 210 operating hours) – 2022
- Duplex propeller shaft with inner and outer glands and new propeller installed – 2022
- Two new fuel tanks (Allpa) installed – 2022
- Craftsman bow thruster installed – 2022
- Antifouling renewed – 2022

In addition, various systems have been renewed in previous years, including:

Victron 1600W inverter with battery monitor, solar panel, electric toilet, modern 3-burner gas stove, plastic water tank, hot water boiler, Vevor diesel hot air heater, polished stainless steel railing, black powder-coated sliding doors, compressor refrigerator and sunshades for the front windows.

This Tjeukemeerkruiser offers a spacious interior with a French bed, a bright lounge and a well-maintained appearance.

An excellent starting point for those looking for a technically modern, ready-to-sail cruiser with room for their own finishing touches.
