Volvo Penta D3, 220 hp, 561 hours.

Berth

On Sales Premises

Year

2012

An exceptionally well-maintained Bavaria 34 with only 561 engine hours. Equipped with an extended bathing platform and numerous options.

Bavaria Sport 34 HT

We understand that this Bavaria 34HT is one of the most popular models from this German builder. The combination of an attractive length, exceptionally generous beam, and excellent headroom makes this boat an absolute winner in this segment. This specific Bavaria 34 HT is richly equipped, including an extended swim platform, bow thruster, electric windlass, ceramic cooktop, electric grill, two refrigerators, an indoor and outdoor shower, a 220V boiler with engine heat, a Mastervolt inverter with a peak output of 3000W, and flexiteak on the gangways and in the cockpit. A 4kW diesel heater was installed in 2021, and the sprayhood was replaced in 2022. The beating heart consists of two Volvo Penta D3 engines with only 561 hours of service, and the icing on the cake is that the sterndrive bellows were recently serviced. Truly a ready-to-go boat!

Basic Information

General
